"No one loves pain itself, who seeks after it and wants to have it, simply because it is pain..."

## What is Lorem Ipsum?

**Lorem Ipsum** is a *"fish"* text often used in printing and web design. **Lorem Ipsum** has been the industry's standard *dummy text* ever since the 16th century. At that time, an unknown printer took a galley of type and scrambled it to make a type specimen book. **Lorem Ipsum** has not only survived five centuries without significant change but has also transitioned into electronic typesetting. Its popularity in modern times was further cemented by the release of Letraset sheets containing **Lorem Ipsum** passages in the 1960s and, more recently, by desktop publishing software like ***Aldus PageMaker***, which includes versions of **Lorem Ipsum**.

## Why is it used?

Lorem It has long been established that a reader will be distracted by readable content when looking at its layout. Lorem Ipsum is used because it provides a more or less normal distribution of letters, making it look like readable English.
